## Double the impact of your donation this summer!

### 20 in Takoma Park

“Focusing on the development of an inclusive vision of placemaking for the Takoma Langley Crossroads, Dance Exchange worked with neighborhood residents and the business community to honor the history of the people that live and work in the community; to recognize the opportunities and challenges they faced; and to imagine the future of their neighborhood. Our work with Dance Exchange reminded us that placemaking is more than a well-designed streetscape or development plan – it is about building community through the use of space, the encouragement of exchanges between neighbors, and the development of relationships among strangers.”

— Sara Daines, Housing and Community Development Director of the City of Takoma Park

This is a place to grow together, and one that has been made possible by your continued support. With your financial contribution, we can sustain partnerships and projects – like our work with the City of Takoma Park and with our neighbors, new and known – here at home and out in the world.

**Give a gift of \$20 for 20 years in Takoma Park today and help us move closer to our goal of \$15,000.**

Together we can continue our commitment to those who gather, move, and make with Dance Exchange.

**STRETCH  
YOUR  
SUPPORT**

Don't forget – your support is **doubled!** Through the generosity of Dance Exchange's Board of Directors, we will match up to \$7,500 raised, doubling the impact of every dollar!
